

About Foothills Photography Group

1. We are a group whose primary interest is photography. All levels of skill are invited and welcomed. We were founded in October, 2014, by a group of photographers who recognized the need for an organization wherein they could learn, teach, and share photographic experiences and techniques. We believe that our skills are unique and that we can be of service to our communities through certain charitable endeavors.
2. Our meetings are held at 7:00 PM on the third Tuesday of each month. Social time starts at 6:30.
3. We meet in the Visual Tech Building on the campus of North Georgia Technical College in Clarkesville, Georgia. The School of Photography graciously hosts the Group's meetings. Social 1/2 hour is held in the student gallery.
4. Each monthly Group meeting features a speaker expert in some aspect of photography.
5. Annual dues are \$40.00 for individuals, \$50.00 family and \$10.00 for students of North Georgia Technical College. **Any person joining at the January, 2015, meeting will be considered a founding member. You may send your check at a later date but must be received by the club treasurer in January, 2015.**
