

## MEDIA RELEASE

**Date of Release:** March 26, 2020  
**Time of Release:** Immediate  
**Authorized by:** Will Schofield, Superintendent  
**Prepared by:** Stan Lewis, Director of Communications  
**Topic:** Hall County Schools Responds to Governor’s Announcement Regarding Extension of Public School Closures

In accordance with Governor Kemp’s declaration this afternoon, the Hall County District will keep its campuses closed to in-person-instruction through April 24, 2020. School-From-Home will continue for all Hall County students and staff.

“We have every intention of engaging students and advancing their learning for the duration of the closure, as well as for remainder of the school year,” said Will Schofield, Superintendent for Hall County Schools. “Our past experience with digital learning prepared us well for this challenge, and our recent School-From-Home efforts have given us an opportunity to collaborate with each other and build upon that foundation. We are moving forward with learning.”

Spring break will be from April 6 through April 10; however, School-From-Home and meal deliveries will not take place during the break. Both will resume on April 13 and will continue at least through April 24.

During School-From Home, as long as resources are available and conditions allow, meal deliveries to students will continue on scheduled days of learning and instruction.

The Hall County School District appreciates the patience and understanding of its stakeholders during these challenging days, and we remain committed to educating and serving the boys and girls of Hall County.
