

PRESS RELEASE ● MARCH 24, 2020 11:30AM

# White County School System

---

**Superintendent Dr. Laurie Burkett**

In accordance with Governor Kemp's directive on March 23, 2020, White County Schools will continue with its Instructional Continuity Plan, learning from home, through Friday, April 3, 2020. During the week of April 6-10, 2020, the White County School System will observe the scheduled spring break.

The White County School System is grateful for all of the support and cooperation during the recent school closure. Ensuring that our students continue to learn during this time is our main priority. Teachers continue to be available Monday through Friday from 9AM-11AM and 1PM-3PM and can be contacted by email or phone during those times. Teacher websites and Google Classrooms will be updated regularly with student assignments. Packets are still available to K-1 students and any student that does not have internet access. Please call your student's school if you have any questions or concerns.

Lunch and breakfast will continue to be available at thirteen locations as well as at the middle school drive-thru from 11:30AM-12:30PM, Monday-Friday. Meals will be available the weeks of March 23-27 and March 30-April 3, 2020. The list of locations for pick-up can be found at the school website at <https://www.white.k12.ga.us/>.

The Backpack Buddies program will be providing additional food for families on Friday, April 3, 2020.

Please continue to check the website often for updates and observe the CDC's 15 Days to Slow the Spread document available on our website as we all work together to be healthy, be safe and #WCBEMORE.
