RE: HCHS Prom

Habersham Central High School Family,

It is with great disappointment that I announce the cancellation of the Habersham Central High School prom scheduled for July 25th, 2020. As upsetting as this news is, I want you to know that this decision was not made lightly and I had hoped we could still hold this memorable event. This decision was made in accordance with Governor Kemp's executive orders and out of an abundance of caution for our students, guests, and faculty.

However, at this time other senior events including graduation scheduled for July 31st in Raider Stadium are still scheduled to occur. These activities, including senior cookout and honors programs, can be managed very differently than prom, and I am hopeful each of these events can happen. The situation remains fluid and details will be forthcoming. Habersham Central High School remains committed to ensuring the health and safety of our students, staff, and community.

Thank you,

Jonathan H. Stribling
Principal, Habersham Central High School
